WHAT TO DO IF YOU ARE SICK OR THINK SOMEONE MAY BE ILL?

CONTACT THE DEPARTMENT OF PUBLIC SAFETY (DPS) IMMEDIATELY

(202) 779-9662 videophone
(202) 651-5555 text/voice
coronavirus@gallaudet.edu

All information will be kept confidential.

REPORTING POTENTIAL CASES OF CORONAVIRUS INFECTION

First, try to talk with your coworker. Offer your support. Encourage them to contact the Department of Public Safety immediately. If they are not able or willing to self-report, contact DPS yourself. Our community health depends on it!

DPS officers are trained first responders, and will address your coworker’s situation with compassion and discretion. All situations will be kept confidential.
